

Since Congress Refuses to Follow The Constitution...
"HELP US RETAKE CONGRESS!"

Our goal is to find and support at least one candidate to run in all 435 congressional districts in 2010 who will solemnly swear to **Uphold the Constitution** and Restore our Republic.

- **Honesty and transparency MUST be returned to our financial system!** There should be a thorough investigation, evaluation and audit of the Federal Reserve System. The arbitrary power to create money with no oversight must be ended. There should be no increase in the national debt. The Federal Government needs to stay out of the affairs of business except when a law has been broken. There should be no taxpayer bailouts of corporations and no corporate subsidies.

- **No member of congress** should ever vote FOR any bill they have not read!

- **The time to start a campaign is now!** If you want to run for congress in 2010, and agree with the platform listed on www.retakethecongress.com, come and join us. We want to help you.

- **If you would like to support or volunteer** in your state and district to elect candidates that will uphold the constitution and secure our unalienable rights and freedoms – come and join us.
