

Swine Flu

Real scare or a hoax? Who is really in control?

**Do you want an untested
vaccine injected in your body?**

Did you know:

- The government used forced vaccines in 1976 for swine flu, inoculating 40 million Americans – 30 people died and 500 suffered neurological disorders before the program was aborted
- Swine flu is combined with 3 hormone influenzas and bird flu – it's impossible for this to occur naturally
- Flu vaccines can contain ethylene glycol (anti-freeze), formaldehyde, squalene, phenol (carbolic acid) aluminum, and Thimerosal (mercury): ALL of these are extremely dangerous to humans – mercury is the 2nd most toxic compound (besides uranium) to humans
- Thimerosal has been banned, but is still in 17 vaccines, including flu vaccines
- The Amish don't have autism (see link below) – They don't vaccinate their children
- 20 million people worldwide died as a result from vaccines for the 1918 Spanish flu
- In the 1980's children received 8 vaccinations – today they receive 48 (68 by age 18)
- Before 1980, Autism affected 1 in 10,000 – by 2005, that jumped to 1 in 250, today it is 1 in 150 (some parts of the country it is 1 in 99 and autism affected 1 in 64 boys)
- In 1985, infants received 4 vaccines with Thimerosal – 1991 11 vaccines with Thimerosal
- Children receive 48 doses of 14 vaccines before the age of 6
- In 1976, 796,000 children were learning disabled – Today, 1 child in 6 is learning disabled
- The Centers for Disease Control admits that 1 child in 6 in America is developmentally delayed
- Dr. Fudenberg, the “world's leading” immunogenetist and the 13th most quoted biologist of our time, stated that 5 consecutive flu shots over 10 years increased the risk of Alzheimer's disease 10 times compared to not getting flu shots
- Our government gave the multi-billion, high profit pharmaceutical companies an exemption from lawsuits, giving no accountability for their vaccines
- Forced vaccines are unconstitutional, against our rights and freedoms and violate the Nuremberg Code of 1949 declared as a result of the Nuremberg trials after WWII
- Is our government protecting us or serving high profit corporations?

A government big enough to give us everything is big enough to take it all away – Thomas Jefferson

When you've given up liberty in the name of security, you've given up both – Benjamin Franklin
