House of Representatives
Parliament House
CANBERRA ACT 2600
AUSTRALIA

TO THE HONOURABLE SPEAKER AND MEMBERS OF THE HOUSE OF REPRESENTATIVES

We, the undersigned citizens of Australia draws to the attention of the House "The mandatory Internet filtering initiative" and hereby express our condemnation of the forthcoming legislation to implement mandatory filtering of web pages by ISP's in Australia.

Your petitioners respectfully call upon the House to take legislative action to keeping the internet unfiltered. We do not support the introduction of mandatory filtering of content by ISP's nor to the $44.2 million dollars it will cost Australian's and we uphold our fundamental human right to the free expression of ideas and opinions.
