

WAITSTAFF of America UNITE!

The Next US President needs help to KEEP THE GOVERNMENT'S OUT OF YOUR POCKET!

Ron Paul has introduced a revolutionary bill in Congress allowing you to...

KEEP ALL YOUR TIPS!

Here's what Dr. Paul said, Sept. 25th:

"Madam Speaker, I rise to help millions of working Americans by introducing the Tax Free Tips Act... mak[ing] tips exempt from federal income and payroll taxes... [T]he amount of a tip usually depends on how well an employee satisfies a client. Since the amount of taxes one pays increases along with the size of the tip, taxing tips punishes workers for doing a superior job!... Helping Americans improve themselves by reducing their taxes will make our country stronger."
