

United We Stand Divided We Fall.

Hi;

My name is John Vidurek and I am a member of the Mid Hudson Ron Paul Meet-up group in New York. The purpose of this communiqué is to hopefully unite all the Ron Paul Meet-up Groups and other Ron Paul grass roots groups in an effort to build an effective force that will capture the attention of the “unwilling” media.

I believe that Dr. Ron Paul’s message goes to the heart of both the Liberal and the Conservative alike. I believe most people if they have the opportunity to hear Dr. Ron Paul’s message would join forces with us in our endeavor to secure the Republic and “reinstate the Constitution”.

The web site www.Vote2008RonPaul.com has been established for the purpose of educating people as to the serious Constitutional Crises we are presently facing and to get the word out that Dr. Ron Paul is the only person in a position to lead this Great Nation of ours back to our founding fathers original intent a “Servant” government and not one that acts as the “Master”, the web site also offers the available tools to get our message out, suggestions are welcomed.

Organization – Communications - & Consistency is what is “required” for success! And the following are some of the ideas that we can achieve if we Organize, Communicate and are consistent with our message, “REVOLUTION”!

If we can mobilize for every event that Dr Ron Paul attends, by getting the word out to all, and as many as are able to attend these events I believe we can make a noticeable impact to the populous and eventually the media will not be able to ignore us. As for myself I would be willing to travel to every and any event that Dr Ron Paul attends within a 250 mile radius of my home. I am willing to gather my family and friends and travel for this because I truly believe this is the **“LAST CALL FOR LIBERTY”**! How important is it for you and your posterity?

United we stand and divided we fall, the following is just one possibility if we unite.

For instance if we buy 50 Double Sided Yard Signs they would cost \$13.98 each, but if we buy 5000 Double Sided Yard Signs they only cost \$2.53/each for a total of \$12,050.00. For a large group of about 500 people that’s only a donation of \$25.30 a piece + shipping. But in order for the smaller groups to be able to receive these savings we would have to consolidate our economic efforts, so that 5 or six smaller groups can achieve the same savings. Or a larger group can combine their purchasing powers with a smaller group or two.

Other examples are ...

A 4’ x 7’ full color digital banner costs \$256.00 each, we can purchased the same banner in quantities of 24 at \$123.00 each for a total of \$2,952.00.

125 (zip strip, removable) Bumper Stickers cost \$2.06/each but 15,000 (zip strip, removable) Bumper Stickers cost only \$.18/each for a total of \$2,700.00

50 Rally Signs cost \$17.54/each but 5,000 Rally Signs cost only \$1.95/each for a total of \$8,750.00.

Therefore the following is true ...

\$12,050.00 for 5000 - Double Sided Yard Signs

\$ 2,952.00 for 24 - 4’ x 7’ Full color digital banners

\$ 2,700.00 for 15,000 (zip strip, removable) Bumper Stickers

=====
\$17,702.00 Total cost divided by 500 people = \$35.40 a piece plus shipping.

And \$8,750.00 for 5,000 Rally Signs divided among 5000 people = \$1.95 a piece plus shipping.

So as you can see if we consolidate our efforts we can really get an affordable and effective nation wide campaign going.

Imagine if we took collections every meeting (some can put in \$100 and some can put in \$10 by the time we come down to the wire (primaries) we can have 100's of 1000's of 16"x26" two sided yard signs with wire frames to line all the road ways leading to the poles in the town and nearby towns we live in, not to mention all the buttons and (zip strip, removable) Bumper Stickers we can give out to all willing supporters.

Here is another idea, put on a provocative tee shirt [example "Revolution"] and carry around 20 or 30 brochures like "Crisis! What Crisis?" found on our web page www.Vote2008RonPaul.com and when people comment on the message on your tee-shirt hand them a brochure. Or pass a brochure at a toll booth or with a tip at a restaurant.

For all groups that are interested combining purchasing powers and in discussing ways to get our message out and get media attention, please choose 1 or 2 members to represent your group and come join us at our first **ON LINE** meeting **TUESDAY JULY 31st AT 8PM EST**. Our room has audio abilities therefore speakers will be required, and if you would like to talk you will also need a mic.

For instructions on how to find us go to www.Vote2008RonPaul.com and click on "**JOIN THE MINUTEMEN**" at the right hand side at the top of the page. Please no more then two (2) representatives per group as we presently only have 200 seats available. [of course more then one person can sit in front of a computer] If necessary at up coming meetings we can up grade to 1000 seats. The meeting will be recorded in MP3 Format and will be available to all interested parties for download one hour after the meeting at www.Vote2008RonPaul.com

The room will open at 7 PM and we will broadcast an informative message, during which time text chat will be open. At 8PM our meeting will begin. Thank you for your time and we hope to see every group represented.

Respectfully

John Vidurek
