Key F

Capo on 5th

Intro: F// C// F// C// G//

Verse 1

F// C// F// C//
We might kiss, when we are alone.
F// C//
If nobody's watching,
G// C//
we might take it home.
F// C// F// C//
We might make out, when nobody's there.
F// C//
It's not that we're scared,
G// Gsus// G////
It's just that it's delicate.

Chorus

F////
So why do you fill my sorrows,
C////
with the words you've borrowed,
F//// C////
from the only place you've known.
F////
And why'd you sing Hallelujah,
C////
if it means nothing to ya.
F//// C//
Why'd you sing with me at all?

Intro: F// C// F// C// G//

Verse 2

F// C// F// C//
We might live, like never before.
F// C//
When there's nothing to give,
G// C//
well how can we ask for more.
F// C// F// C//
We might make love, in some sacred place.
F// C//
The look on your face,
G// Gsus// G////
is delicate.

Chorus

F////
So why do you fill my sorrows,
C////
with the words you've borrowed,
F//// C////
from the only place you've known.
F////
And why'd you sing Hallelujah,
C////
if it means nothing to ya.
F//// C/ (end)
Why'd you sing with me at all?
