## Safety Requirements

---

All member's as well as guest's vehicles are required to meet all of the following requirements:

- Roll bar or full cage or factory hard top.
- Functioning emergency brake.
- Tow strap rated at 2 times vehicle weight. No chains or straps with hooks.
- First aid kit. It should be mounted/stored in an easily found and accessible location.
- Jack capable of lifting the vehicle and a tool capable of removing lug nuts.
- Spare tire equal to or within 2 inches of the diameter of existing tires on the vehicle.
- Fire extinguisher with gauge indicating good, appropriately mounted.
- Seat belts for driver and all passengers.
- Adequate attachment points front and rear, i.e., tow hooks, receiver, etc. Tow ball hitches are not a safe attachment point.
- Proper battery hold downs; no bungee cords.
- Functional CB radio.
