

AMERICAN CITIZEN DEFINED © Authored by PAC info@pacinlaw.org
Legal Awareness Issue

There are some “freedomists” that believe there is a difference between an American citizen and a citizen of the United States (or US citizen), which there is not.

See the following:

- The term “American citizen” and “citizen of the United States” are regarded as synonymous.

The foregoing is from this Reference:

1949 Code of Federal Regulations, Title 8, Part 176, Section 176.101(w), Definitions

Is a citizen of the United States not in America?

Therefore would he not be an American citizen?

This is just one of the dangers of using the wrong language. One must be careful while constructing all documents or even speaking to others about such issues.
