THE BATTLE OF THE CENTURY IS ON!

BIG GOVERNMENT vs. THE AMERICAN PEOPLE
BIG MEDIA PROPAGANDA vs. THE INTERNET & WORD-OF-MOUTH

WHO IS RON PAUL?

RON PAUL FOR PRESIDENT 2008

"When I say cut taxes, I don't mean fiddle with the code. I mean abolish the income tax and the IRS and replace them with nothing...Even today, income taxes account for only one third of Federal Revenue. If we reduce spending by a third, it would still leave us with a budget as large as it was in 2000. Does anyone really believe that we can't find ways to reduce Federal spending to 2000 levels?"

- Congressman Dr. Ron Paul

- Why is Dr. Ron Paul gaining the support of millions of Republicans, Democrats, and Independents?
- What is causing non-voters to now become involved in politics and volunteer for this man?
- Why are so many young people flocking to support Ron Paul for President?
- Why is Big Media ignoring or attacking Dr. Ron Paul when polls show he won every debate?
- Why did Republican leaders attempt to ban him from the debates?
- Why are the well-funded special interest lobbies so afraid of Dr. Paul?
- Why are the Big Bankers who keep us in debt so afraid of Ron Paul?

What is it about this soft-spoken OB-GYN that strikes fear into Big Government and Big Media?

*It's simple: **Ron Paul represents the people.***

But talk is cheap. So let's have a look at his actual 20-year Congressional voting record.

- He has **NEVER** voted for a tax increase.
- He has **NEVER** voted for an unbalanced budget.
- He voted **AGAINST** the Iraq war.
- He has **NEVER** voted for foreign aid giveaways.
- He has **NEVER** taken a paid trip at taxpayer expense.
- He has **NEVER** voted to give himself a pay raise.
- He returns a portion of his office budget to the US Treasury each year.
- He voted **AGAINST** legalizing illegal immigration.
- He has pledged to repeal the income tax and **ABOLISH THE IRS.**

Dr. Paul is a man of *unusual* character and honor. He says what he means and he means what he says. If you are fed up with Washington DC controlling you, now is your chance to take America back. It's the media & political power brokers versus the people. *Whose side are you on?*
