

## **Barack Obama has surrounded himself with people who help to oppress all Americans.**

### **Arne Duncan**, Secretary of Education

A strong advocate of George Bush's **NO CHILD LEFT BEHIND** program which has reduced high school graduation rate to less than 50%, and that's only those who make it into high school, then only 3% of those that graduate go on to higher education, that's roughly 1.2% of children. 98.8% do not make it to higher education. Children are being 'trained', brainwashed to not care, not question, and not learn. Who controls our textbooks?

### **Timothy Geithner**, Secretary of Treasury

New York **FEDERAL RESERVE** President and an active member of the **TRILATERAL COMMISSION**. Geithner is the primary architect behind the current orchestrated financial collapse. The subprime mortgage 'crisis' is a scam being used for a problem/reaction/solution scheme to loot the treasury, to destroy the value of the dollar, and to end the sovereignty of the U.S.A. Obama will persuade you that to solve all our problems we must combine the U.S.A. into a union with other nations.

### **Tom Vilsack**, Secretary of Agriculture

A treacherous advocate of genetically engineered pharmaceutical crops, and agribusiness biotech giants like **MONSANTO**, a criminal organization, a Food Supply Mafia that has ambitions for total monopoly control over our food supply. They have infiltrated the governmental bodies that are in charge of oversight, policy and justice in regards to our food. Vilsack has worked to strip communities of their rights to regulate genetically modified foods. Control the food, and you control the people.

### **Judd Gregg**, Secretary of Commerce

Established the Biomedical Advanced Research and Development Agency (BARDA), as the single point of authority within the government for drugs and vaccines in response to bioterrorism and natural disease outbreaks such as the flu. BARDA operates in secret, and has the authority to force vaccinations on the public. The public has no right to sue in court for wrongful injury or death resulting from such 'vaccines' and thus has lost the rights guaranteed under the 7th Amendment.

### **Robert Gates**, Secretary of Defense

It will be the first time a Pentagon chief has been carried over from a president of a different party. Change you can believe in? Gates was director of the CIA under President George H.W. Bush. The CIA is a criminal organization like the **MOSSAD**. It acts in complete secrecy, with impunity, and without consequence. The Constitution was created to prevent such a force from taking power, but you won't hear that from Obama.

### **Rahm Emanuel**, White House Chief of Staff

Calls for 'compulsory service' for all young people ages 18-25, then to be forever in military reserve. This is a plan to create a permanent draft for all Americans to fight the wars of **THE MONEY MASTERS** and power elite. The other primary goal for this traitor is to take away the guns from all American citizens. Do not take the 2nd Amendment lightly. It was written so that we can protect ourselves from tyranny.

### **Ray LaHood**, Secretary of Transportation

A close associate of Rahm Emanuel. Ray LaHood has financial ties to the very industry he is supposed to regulate, the fox is now guarding the hens. He has a long history of allocating millions and billions of our dollars to his corporate cronies, and now he is in charge of hundreds of billions of dollars in the ongoing bailout scam. Change you can believe in?

### **Peter Orszag**, Director of Office of Management and Budget

A member of the **COUNCIL ON FOREIGN RELATIONS (CFR)**, a criminal organization established by **DAVID ROCKEFELLER** to orchestrate the controlled demolition of the sovereignty of the U.S.A. into the **NEW WORLD ORDER**. This is serious business folks. Their goal is to change the U.S.A. into a corporation, and take complete ownership of all property and eliminate all liberty. Since 9-11 they have made huge strides toward these ends.

### **Ron Kirk**, U.S. Trade Representative

A strong advocate for free trade, including NAFTA (North American Free Trade Agreement). Free trade is a weapon of the **CFR** and the global elite to erase the borders of all nations, not for the purpose of peace, but rather to take full control over these very nations. Free trade has hurt every nation that participates, and systematically drains our personal freedoms while turbo charging the power of international corporations over us.

### **Eric Holder**, U.S. Attorney General

Served as deputy attorney general under President Clinton and as acting attorney general under President George W. Bush. He has pushed for sweeping, restrictive gun control measures throughout his career while also endorsing the now-discredited collective rights interpretation of the 2nd Amendment. The 2nd Amendment was written so that we can protect ourselves from tyranny.

**Zbigniew Brzezinski**, Chief Foreign Policy Advisor

The most prominent of **DAVID ROCKEFELLER's** servants, a founder and director of Rockefeller's **TRILATERAL COMMISSION**, where the world's power elite meet to plot, plan, and conspire against democratic governments, movements and ideals around the globe. Brzezinski brags of his role in destroying the peaceful government in Afghanistan, by secretly arming and training the radical Muslims of the Taliban to take power.

### **TRILATERAL COMMISSION**

In less than two weeks since his inauguration, Obama's appointments encompass more than 12% of **TRILATERAL COMMISSION's** entire U.S. membership. Since 1973, the Commission has met regularly in plenary sessions to discuss policy position papers developed by its members. Policies are debated in order to achieve consensus. Respective members return to their own countries to implement policies consistent with those consensus. The original stated purpose of the **TRILATERAL COMMISSION** was to create a "New International Economic Order." Its current statement has morphed into fostering a "*closer cooperation among these core democratic industrialized areas of the world with shared leadership responsibilities in the wider international system.*" (See <http://www.trilateral.org/about.htm>)

U.S. Trilateral members implement policies determined by a majority of non-Americans that most often work against the best interests of the country. "How," you say? Since the administration of Jimmy Carter, Trilaterals held these massively influential positions:

- Six out of eight World Bank presidents, including the current appointee, **Robert Zoelick**
- Eight out of ten U.S. Trade Representatives
- President and/or Vice-President of every elected administration (except for Obama/Biden)
- Seven out of twelve Secretaries of State
- Nine out of twelve Secretaries of Defense

### **Endgame is at hand.**

The recent reemergence of original members **Henry Kissinger**, **Zbigniew Brzezinski**, **Brent Scowcroft** and **Paul Volker** serves to reinforce the conclusion that the New International Economic Order is near. The Trilateral Commission and its members have engineered the global economic, trade and financial system that is currently in a state of total chaos. They are using the crisis to destroy what remains of national sovereignty, so that a New World Order can finally and permanently be put into place.

### **Conclusion.**

Obama was elected by promising to bring change, yet from the start change was never envisioned. He was carefully groomed and financed by the Trilateral Commission and their friends. In short, Obama is merely the continuation of disastrous, non-American policies that have brought economic ruin upon us and the rest of the world. If the reader is a Democrat, be aware that many Republicans and conservatives are still licking their wounds after finally realizing that George Bush and **Dick Cheney** worked the same con on them for a disastrous eight years of the same policies!
