Dear Alexandra

Thank you so much for your kind donation of £125 to Barnardo's raised through your birthday celebrations. This is a great amount and your donation is greatly appreciated, as well as your time and effort spent raising it and will be used to help us deliver services to those most in need.

We support over 100,000 children and their families through 415 vital projects at home, school and in the local community. Every project is different but each has the same goal: protecting, nurturing and providing opportunities for the most vulnerable children and young people over the long term, and enabling them to face the future with hope.

Zainab is a Barnardo's service user, aged 15.

"About 12 months ago I first went to Barnardo's Missing Service. The service helps children who go missing from home, to stop them getting involved in anything dangerous like drugs or crime. Before Barnardo's, I didn't feel like living and thought the world would be a better place without me. I was angry and unhappy at the time. I felt unloved and hated everything and everyone around me.

"Going to Barnardo's has been good for me; it's given me someone to talk to, someone who was interested in me. I feel much better now; I don't know what I would have done without Barnardo's and where I would be today. Now I have a bright future ahead of me and one day will hopefully become a lawyer."

Please pass on my appreciation and kind wishes to all those who took part in raising funds!

Yours sincerely,
