About the Class:

Whether you're starting a business on the side while still employed elsewhere, a student or home-maker looking for extra income, or unemployed and trying to figure out what to do, there are plenty of opportunities for you to start up a side business inexpensively. It's unlikely any of these will make you a living in the first few months, but they all have the potential to grow into full-time businesses. We'll take a look at 10 such opportunities and, most importantly, tell you what to do with the US\$20! Remember to adjust your audio accordantly. This one is a interacting webinar Web conferencing. up to 500 participant are permitted.
