

Our Assistant Organizer email 28 October 2009 to me for your information

Dear Andrea,

Good afternoon, my heart is closer to Baraonda.

My idea is quite simple: an **after work meeting** in a nice, **central place - twice per month**:

1) we can simply **chill out and chit-chat**, enjoy a glass of drink or a good Italian coffee

2) **or** each time there can be a subject: discussion points about work, how to make a progress, etc. My experience is that once I ask a question, people gladly reply to it (everyone likes to speak about himself), if there is a time limit (and there will be) it makes a good ambience and they are more likely to share or opened to accept a good advice.

3) **or** some classical dinner program - (mostly Italian, as that s the profile) let's say once per month.

Yes, I've checked the small business Meetup group of Mississagua - actually I'm member of small business group in Singapore - as myself do not own any business - I used to intervene on the Meetup.

It would be an honour if you make me an assistant organizer of Baraonda. Having your Internet presence would make the meetings glamorous.

Looking forward our collaboration,

Yours sincerely,

Krisztina
