WHAT WE ARE LOOKING FOR:

UNIQUE products, stone in general, building materials and accessories; only YOUR Company has them!

We market them exclusively to our client base in South East Asia (S.E.A.).

WHAT WE PROVIDE:

◌LAMARSTONE◌ Has the procedures, the documentation and the experience that is at the heart of every successful operation in our line of activity. Our decades of experience have proven to be fundamental for long lasting and perfectly executed jobs.

◌LAMARSTONE◌ Provides everything from “A” to “Z” needed for a successful completion of your project: Documentation, Assistance, Consultation.

◌LAMARSTONE◌ Provides landscape architects, architects, designers and developers with innovative natural stone solutions.

◌LAMARSTONE◌ Unique relationships with the top quarries in the world help to acquire the highest quality architectural grade, natural stone material available.

When quality and punctuality cannot be compromised ◌LAMARSTONE◌ will prove to be an indispensable resource in your business.

POSSIBLE WAYS OF CO-OPERATION:

- On project basis
E.g. Your company is the manufacturer, we are shipper and installer. On a previously contractual agreed percentage split, financing responsibility and profit sharing will be done.
- Joint-Venture for large projects
For considerable sized projects from specification till installation the creation of a common legal entity is an option.

We look forward to exploiting together with you the continuing great opportunities resulting from the strong growth of the South East Asian economies.

Please feel invited to contact us via email or give me a call to personally talk about ways of cooperation.

Thank you for your attention and best regards,
