

# Reminder RSVP Guidelines Please Read!

Just a quick reminder of our RSVP guidelines.

When planning events, Your RSVPs are very important for an accurate headcount.

If you've said "YES" to an event, and then you find that you can't make it --- change your RSVP!

If it's a last minute thing -- please call the Organizer of the event or send an email to notify the organizer, your plans have changed.

**If you RSVP "Yes" to a Meetup event, we expect that you will be in attendance.**

We understand that emergencies do happen, however, after 3 "NO SHOWS" without changing your RSVP status, prior to an event or contacting the organizer, you will lose your membership to the group.
