President's Message...

Greetings Fellow Ski Enthusiasts!

It's a new membership year for **Orlando Ski Club**, and a new Board of Directors! My heartfelt gratitude and thanks to our outgoing Board Members for their hard work and dedication: Debra Music, Jody Thomes, Leslie Cain, Lillian Payne. And a special thanks to Dale Ulmer, who has served as **OSC** President for the past three years (he only signed up for two)! Dale, I think Earl Schuette owes you free lodging if you ever make it to Hawaii for a visit ☺

You will see on the Board some familiar names in familiar roles, some familiar names in new roles and some new names to the **OSC** Board. There are still Board positions available (Membership, Programs, Newsletter, PR/Advertising). It's a great way to share your expertise with **OSC**, to gain a better understanding of the workings of the Club, and a wonderful way to make new friendships with fellow Board members. It's also a lot of fun! So contact me for more details on any positions that may hold interest for you.

Now, on to the fast approaching 2010 ski season! We have some incredible trips lined up for the coming year, and trip sales have already begun! We all know that everyone is facing some tough economic times right now. With that in mind, we have reduced the number of spots **OSC** has reserved on the majority of our trips, but retained the quality and value that you have all come to expect from the **Orlando Ski Club**. And, we have added a little something as incentive....**drawings for trip credits!** To be eligible, you must be a current **OSC** member, or join **OSC** prior to the drawing to be held at the end of our 8/30 trip sales event, AND sign up for a trip with a paid deposit. So don't delay....sign up now for a chance to win! Trip summary info can be found in this newsletter, or visit our web site at www.orlandoskiclub.com to see detailed trip flyers, and to download Membership and Trip Applications.

Hope to see you all at Dubsdread on **August 30th!**

Shelley Daniel, OSC President
