SBC Leaders Speak Out!

Today we are at a critical juncture in the direction of our country and strong leadership is needed. Many respected Southern Baptist leaders have stepped up to the plate and endorsed one man, his name, **Mike Huckabee**. Here is what they say in their own words:

"Mike Huckabee is clearly the most articulate spokesman for conservative values in today's political arena. He is a wise and proven leader," said **Dr. Jack Graham**, pastor of Prestonwood Baptist Church and former president of the Southern Baptist Convention. "He is a man who lives and governs by principal and is, in my view, uniquely prepared to lead our nation."

Dr. James T. Draper Jr. is a former president of Southern Baptist Convention and former president of Lifeway Christian Resources. "I support Mike Huckabee for President because I have known him for over 30 years and know him to be a man of absolute integrity and sterling character," Dr. Draper said. "He has the strength of convictions that will enable him to be a great leader."

Dr. Jerry Vines twice served as president of Southern Baptist Convention and is former pastor of First Baptist Church of Jacksonville, Fla. He is founder of Jerry Vines Ministries in Woodstock, Ga. "Having known Governor Mike Huckabee for 30 years and observed his character, convictions and courage in public life, I wholeheartedly endorse him in his bid to become President of the United States," Dr. Vines said.

Dr. Jay Strack is president and founder of Student Leadership University and a world-renowned Southern Baptist communicator and minister in Orlando, Fla. "Mike Huckabee has brought clarity, compassion, and competency to every assignment and role he has been given," Dr. Strack said. "He does not blink answering hard or tough questions and does so in a manner that does not alienate the inquirer."

Dr. Billy McCormack is pastor of University Baptist Church and founding National Board Member of Christian Coalition. "Mike is not only well equipped for the presidency, he has demonstrated godly and righteous leadership in government which commends him to every evangelical who wants a firm and resolute hand on the helm of our ship of state," Dr. McCormack said.

Dr. Daniel Akin is president of Southeastern Baptist Theological Seminary in Wake Forest, N.C. "Mike Huckabee is the kind of man our country needs in a leader. He believes in those things that exemplify the best in our nation," Dr. Akin said. "His values and convictions make him a leader worth following. I am delighted he is running for president and he has both my prayers and support."

MIKE HUCKABEE
ON THE **ISSUES**

SANCTITY OF LIFE

I support and have always supported passage of a constitutional amendment to protect the right to life. My convictions regarding the sanctity of life have always been clear and consistent, without equivocation or wavering. I believe that Roe v. Wade should be over-turned.

MARRIAGE

I support and have always supported passage of a federal constitutional amendment that defines marriage as a union between one man and one woman. As President, I will fight for passage of this amendment. My personal belief is that marriage is between one man and one woman, for life.

EDUCATION

I have been a strong, consistent supporter of the rights of parents to home school their children, of creating more charter schools, and of public school choice.

WAR ON TERROR

I believe that we are currently engaged in a world war. Radical Islamic fascists have declared war on our country and our way of life. They have sworn to annihilate each of us who believe in a free society, all in the name of a perversion of religion and an impersonal god. We go to great extremes to save lives, they go to great extremes to take them. This war is not a conventional war, and these terrorists are not a conventional enemy. I will fight the war on terror with the intensity and single-mindedness that it deserves.
