

Your Personality Profile

Directions: In each of the following rows of four words across, place an X in front of the one word that most often applies to you. Continue through all forty lines; be sure each number is marked. If you are not sure which word "most applies" ask a spouse or a friend, and think of what your answer would have been when you were a child. Please use a dictionary if not sure of the meaning of any word. The best results/analysis will be attained if making your choices quickly, don't deliberate. (Exception when looking up meanings.)
