

Autism Treatment

A-S.E.E.D

Autism Social, Emotional & Educational Development

The Social Skills Therapy Group and Parent Support Group run concurrently for convenience!

S.E.E.D Social Skills Therapy Group will address topics such as: Friendship Skills; Dealing With Feelings; Alternatives To Aggression; Classroom Survival Skills and more! There is no charge for this group.

Groups will be organized by age appropriateness/maturity Ages 4-9, 10-14, 15-18 and will run according to age at different times during the year.

P.E.A.C.E. (Parents Embracing Autism through Camaraderie and Education) Support Group is provided while the social skills therapy group is conducted with topics such as: Providing Structure; Recognizing and Supporting Child/Adolescent's Sensitivities/Triggers; Developing Child's Strengths & Self Esteem; Sibling Support and Family Stress Management. Parent group participants are limited to 2 caregivers per child. There is no charge for the parent group. No child care is available.

To register please call Ciara Henry, 622-7017, ext. 112

"I accept my child wholly. I celebrate his differences and his quiriness. I am proud of his successes, no matter how small they seem. I am proud that he is my son, and sometimes I am humbled by that very same thought."
~Spectrum Mom
