Dear Meetup.com Member:

You are cordially invited to a Visitor's Day meeting of **Chapter 39 of BNI** at **Café Metro 14 E 42nd St between 5th and Madison, Tuesday, June 24th, 2008 7:00am**. There is a private meeting room downstairs.

BNI (Business Network International) is a business and professional networking organization whose primary purpose is to exchange qualified business referrals to its members. It is the largest networking organization of its kind. Currently, BNI has over 5,000 Chapters internationally. Last year 100,000 members of BNI passed 6.3 million referrals which generated 3.7 billion dollars worth of business for each other.

What makes BNI unique is that it allows only one person per profession to join a chapter. Thus, once you become a member of a chapter, you own the seat and none of your competitors can participate in that group.

Our chapter is currently looking for outstanding professionals to whom we can refer business. I would like to personally invite you to our Kick-Off meeting so you can learn more about this successful program and to find out if you would be interested in generating a steady source of referral business for yourself.

Seating may be limited, so please R.S.V.P. by calling me or our chapter President: Yossi Notik at 917.572.2124.

There is a meal fee of \$20 for breakfast; otherwise there is no charge to attend. If you have any questions, please don't hesitate to call me. Remember to bring plenty of business cards to pass around, as you will meet lots of local business professionals.

Sincerely,

/s/ Tyrone Turner
