### **Treasurer's Report**

Balance is \$540.85

### **Items in No Particular Order**

- Club Funds - a motion was submitted to put club funds into a money market account. The motion was not seconded and no further discussion was taken.
- Farragut Contest – the contest ran smoothly. A fun fly was held on Memorial Day (Monday). A buddy-box equipped R/C trainer operated by Tom Chant gave newcomers an opportunity to fly. This was a good idea that we should try at future events.
- Soar Paradise – planning for this upcoming contest continues. Scoring and raffle are set up.
- NEFI – the flyer is out. Minimal supplies will be needed. No tent will be ordered this year – we will use the new shade. There was some discussion about the runway. Jared will report at a future meeting on the “glue” option.
