Ms. Hill,

The Georgia General Assembly - House of Representatives, District 59, would like to present a proclamation to the Black Dolls for their philanthropic contributions to the young girls in Atlanta. Your mission has been recognized by many and efforts applauded.

The presentation will be made on the Friday the 20th of November at the Doll Birthday Celebration.

Please send a list of any services and achievements that should be included on the proclamation. It could be a bit of history and definitely the mission and some of the service projects.

Please let me know if you will be present at the above event to receive this recognition of service.

Regards,

Margaret D. Kaiser
