During his 20 years in Congress, Dr. Ron Paul NEVER voted for a tax hike or an unbalanced budget. He wants to phase out the IRS! He voted against the Iraq war. He voted against his own pay raise (10 times!) & he returns part of his office budget to the US Treasury each year. Prior to serving in Congress, Dr. Ron Paul delivered 4000 babies. He & his wife Carol have been married for 50 years & have 18 grandchildren.
