Wake LP convention - when and where, mailing, funding

Convention mailing - Joy has a list of registered Libertarians in the county 580, only 2 phone numbers included. Joy will contact membership secretary for list. There are 600+ to mail to. Fernie has postcards indicating bad addresses. Linda mentioned that everyone who attended last year's convention was on the meetup group. Is it worth it to do a mailing? Fernie suggested mailing to a sample of 50 registered libertarians. Joy volunteered to send 50 postcards to a sample of the registered Libertarians asking them to come to our Thursday evening meetings and contact us by email or phone.

Someone mentioned that Bobby had suggested the Mayflower in Garner.

Motion: Joy moved to use the recreation room at Capo's apartment complex if that is possible. This motion passed with all in favor.

Wake LP convention date set to March 14, a Saturday, with the time not yet set.

Linda Ellis moved to adjourn. Stephanie seconded. Meeting adjourned.
