

# Street Fighter Alpha 3

## Tournament Rules

The tournament will be a double elimination tournament based upon the following criteria:

- Two players per match
- Match type will be Versus Mode
- Players will be able to select their own combo "ism"
- Game speed will be agreed upon by players, if no common ground can be found, a coin flip will be held.
- Each match will consist of 3 fights, best 2 of 3
- 3 matches per round, best 2 matches of 3
- Players will be able to select their own character
- Both players may play the same character, however there will be differences between each character's costume
- If both players wish to use the same costume color scheme, a coin flip will be held to determine the outcome, of which the loser will have to choose a different costume or character
- Between matches players may select a different character
- Losing player will move on to the Losers Bracket
- Losing bracket's rules will be the same as the Winning Bracket
- Winner of each bracket will move on to the final match for 1<sup>st</sup> place
- If final contender from winner's bracket loses against final contender of loser's bracket, then a rematch will be held to determine final victor
