

**County Records Research has been showing people how to buy properties in default at HUGE DISCOUNTS for over 31 YEARS.**

**All Types of Properties are available for purchase:**

- **Single Family Homes**
- **Condos**
- **Townhomes**
- **Apartment Buildings**
- **Commercial Property**
- **Agricultural Property**

**County Records Research is a subscription based service which provides daily default and foreclosure information on properties located throughout the state of California, Arizona and Nevada. You will have access to:**

- **New NOD's, NTS and REO properties Daily**
- **Downloadable Estimates of Property Value**
- **Push-pin maps identifying nearby Defaulted Properties and REO's**
- **Street and overhead view of Defaulted Properties**
- **Identify specific areas you're interested in; set up email notifications to let you know of any new properties in the area.**
- **Sortable fields to pinpoint the property characteristics you're looking for in the areas you are interested in**
- **Trustee Sale Status updated every 30 minutes!**
- **Seasoned staff available for Consultation and Mentoring Monday thru Friday 9am to 6pm**
- **Set up email and text notifications to inform you if a bid has been dropped or a sale postponed.**
