## Teams:

Teams must have at least 4 players, but may have as many players as they wish on their roster. A team must be composed of a minimum of 2 female players. Players must be 18 years or older and listed on the team's roster prior to the start of the first game.

## Format:

Pool play will establish rank, followed by upper and lower division playoffs; a third "consolation" division may be added depending on the number of entries. Standard Rally scoring will be utilized. Teams will advance to either the upper or lower division playoffs; or potentially a third consolation division. Play will be governed by the rules outlined in the 2009-2010 FIVB/USAV Outdoor Rules. Some rules of note are:

- No Overhand Pass Attacks unless trajectory is perpendicular to the shoulders of the attacker.
- No Positional Faults
- "Let" Serves are allowed.
- No open-hand tips.

This tournament will be team Refereed or "Call Your Own", players should be familiar with the official rules of play. Teams not playing will be scheduled to score-keep matches within their pool. Site directors will have final say in any unresolved dispute. Complete Rules can be found at: <http://www.usavolleyball.org/RulesOfficials/outdoor.asp>
