

Speak Up!

Do you have an expertise in sales, retention, programming, operations, or business management? Do you have a success story you'd like to share? Then accept our invitation to share your wisdom with industry peers by presenting your topic at a WSBA event.

Speaker Application

To apply for consideration to present your topic at a future educational program, or for an upcoming seminar, simply review the guidelines noted below. Upon receipt of your application, WSBA's Education Manager will contact you with further instructions.

Application Guidelines

All applicants must provide updated information about their background and presentation as described below and as noted on our [application](#). Due to the volume of applications received, WSBA does not maintain photos, session outlines, or biographies that may have been submitted in previous years.

Therefore, please be sure your application includes the following information:

- . A detailed description of the proposed presentation
- . A 100-200 word biography in narrative form (no bullets or highlights)
- . An outline of previous speaking engagements
- . A color headshot photograph (300dpi, print-quality, JPG or EPS formats preferred)
- . All requests the presenter may have for WSBA to consider.

NOTE: Incomplete applications cannot be considered!
