

Kansas City Hospice
& Palliative Care

Guest Books

Thank you for making Guest Books at the Kansas City Hospice House. Your generous contribution truly makes a difference to the families and friends visiting our facility, as they are going through a very difficult time with a life-limiting illness of a loved one. Guest Books allow visitors to write a note to the patient and/or family during the patient's stay at the Hospice House. Many families take these books home as a memento of their time here and look back at the messages written during this period. Below are suggestions/guidelines for making Guest Books for the Hospice House:

- **Size**
 - The books should be around the size of 4.25in x 5.5in (1/4 size of a standard sheet of computer printer paper)
- **Outside Cover**
 - Scrapbook paper, solid color paper or cardstock works well for the front and back cover
- **Interior Pages**
 - Computer paper works well for the interior pages
 - Please have at least 10 interior pages
- **Binding**
 - Hole punching through the covers and interior pages and tying with ribbon or yarn works well to bind the book together
