

# SATURDAY NIGHT AT THE MOVIES DRIFTERS

**C** Well Saturday night at 8 o'clock,

I know **C7** where I'm gonna go

**G** I'm gonna pick my baby up **G7** And take her to the **C** picture show

**C** Everybody in the **C7** neighbourhood

Is dressing up **F** to be there too

And we're **C** gonna have a ball

**G** Just like we **C** always do

**Chorus:** **C** Saturday **F** night at the movies

**C** Who cares what picture you see

**C** When you're hugging **G** with **C** your baby in last row in the balcony

**C** Well there's technicolor and cinemascope

**C7** Just out of Hollywood

**G** And the popcorn from the candy stand

**G7** Is all tasting twice **C** as good

**C** There's always lots of **C7** pretty girls

With figures they **F** don't try to hide

**C** But they never can compare

**G** To the girl sittin' by **C** my side

**(repeat chorus till fade)**
