

Electric Drive in the Park

Baltimore City Department of Public Works, Office of Sustainable Energy, will celebrate *National Drive Electric Week* on:

Sunday, September 11, 2016, Noon until 5:00 p.m.

Electric Drive in the Park

[Howard P. Rawlings Conservatory](#)
Druid Hill Park, 3100 Swann Drive, 21217

- **Test drive new affordable electric vehicles** (EVs) such as Nissan Leaf, Chevy Volt & Spark, Ford Focus, Kia Soul EV, BMW I3 and perhaps a Tesla - from local dealers.
- **EV owners** will display, pop the hood and answer questions about their electric vehicle ownership experiences.
- **New electric bicycles** from [Baltimore Bike Share](#) available to ride in the park.

[National Drive Electric Week](#), *September 10-18, 2016*, nationwide celebration of today's widespread availability of plug-in vehicles, highlighting benefits of all-electric and hybrid-electric cars, trucks, motorcycles, and bikes. [Baltimore Event Details here](#)

Sponsors: *Plug In America*, the *Sierra Club* and the *Electric Auto Association* and Baltimore based *Electric Vehicle Institute* and *Baltimore Electric Vehicle Institute* are partners in the event. *Rawlings Blake Conservatory, Parks and Rec* for support services and traffic control. Also the EV Car dealers who offer E-Vehicles for test drives.
